

I'm thankful for my baseball bat,  
I cracked it yesterday,  
I'm thankful for my mittens,  
One is missing in the snow,  
I'm thankful for my hamsters,  
They escaped a month ago.

I'm thankful for my basketball,  
It's sprung another leak,  
I'm thankful for my parakeet.  
It bit me twice last week,  
I'm thankful for my bicycle,  
I crashed into a tree,  
I'm thankful for my roller skates,  
I fell and scraped my knee.

I'm thankful for my model plane,  
It's short a dozen parts,  
I'm thankful for my target game,  
I'm sure I'll find the darts,  
I'm thankful for my bathing suit,  
I came off in the river,  
I'm thankful for so many things,  
Except, of course, for liver!
